LABOUR MEMBER OF PARLIAMENT FOR MITCHAM AND MORDEN

7th March 2014

Dear Friend,

ARE YOU LOOKING TO GET ON THE FAST TRACK TO A NEW JOB

Earlier this year, you got in touch with me about a scheme I launched to give young people real on the job experience.

Now I want to help people improve their job application skills, and I thought you might be interested.

So if you are thinking about applying for a new job here are details about a day-long training seminar I'm arranging.

This is your chance to "Turbo Charge your CV" and make the most of your use of Social Media to get a job fast.

You will get insider tips on how to make your CV stand out, succeed at interviews and convince employers you are the BEST person for the job!

It takes place from 11am to 3pm on the 20th March – at the Hub, Tooting and Mitcham FC Stadium, Bishopsford Road, Morden [SM4 6BF](#). A free lunch will also be provided!

I'm delighted to say that training will be provided by HR experts who will be on hand to show off the tricks of the trade, including how to apply for jobs on the Internet, CV writing, interview skills and how to fill in application forms.

The event is being run by the global engineering firm C2HM Hill who are offering their services and the help of their staff for the day. In fact, everyone involved, including our venue, the Hub, is giving their time and facilities completely free of charge. I'm really grateful to them for that.

If you know are interested, please contact Lisa or Laxmi in my Morden office on 020 8542 4835 and they will be more than happy to help you.

Attached to this email is a flyer about the event. If you want to hand it out to any friends you think might also be interested, please be my guest.

I hope this is of interest.

Best wishes

Siobhain McDonagh
